4. Scholarships - Scholarships are being administered through Dollars for Scholars this year. The deadline is March 31 @ Midnight to submit application.

5. Banquets -

Winter Sports Banquet Planning

Discussion on Boosters part in future banquets

6. Athletic Directors Update & Requests:

AD Ridgely February Report

HS Baseball: Coach Campbell has a request for Baseballs. We're going to purchase 8 dozen at \$50 per dozen. 1/2 is \$200

Softballs: Coach Riley has a request for Softballs. We are going to purchase 5 dozen at \$70 per dozen. 1/2 is \$175

Girls HS Track Uniforms, there is concern they are going to be short some for this season due to high numbers. - we're trying to match what he has but we may have to go new. Depending on the results of that I may need some help with the costs.

Junior High Softball and Baseball uniforms. I originally had thought we'd move this more to kids buying shirts and pants, but initial feedback on that has not been positive. \$50 per uniform is what I'm looking at right now, going back to if we're going to do it I want to make sure we do it nicely.

Finally, after polling the other POI AD's I'm working to develop a uniform replacement schedule. This would be shared with coaches and Boosters alike so all know when things can be expected. I hope to have this ready in March.

One other thing I've been thinking about - someone once shared a picture of an area school that has a case where all their coaches have pictures - identifying the coach and what they are coaching. I think we can do something like this that is similar to our front door poster identifying department heads and names. Would the Boosters be willing to pay for this? I think it would be similar in size to our new record boards and similar in cost - \$220

8. New Business:

9. Adjourn
